

Stoney Lake Weekend Guest Teachers 2026

Blair Gerrie

Blair Gerrie began Scottish Country Dancing while attending University in Aberdeen. Under the tutelage of the famous Scottish dancer Bobby Watson, he learned both Country and Highland steps. Returning to Toronto, he continued dancing, where he met his wife, Patricia. Blair started teaching in 1985 when he founded the York SCD Group and later began the Sunday Miscellany Group for more experienced dancers. He currently teaches the Clairside and Tayside Groups in East Toronto, where his dancers enjoy his creative themed programmes, fun spirit, and patient teaching style. His love of dance continues in the family - two of his children have completed their full certificates.

Tristan Gerrie

Tristan has been active in the Scottish Country Dance community in Toronto for many years. He was born to a family of Scottish Country dancers. He began dancing as a child with Betty Thompson before joining Georgina Finlay's youth class. He obtained Part 1 of his teaching certificate at TAC and completed his training in St. Andrews in 2024. Tristan currently co-teaches a Young Adults class in Toronto, and assists with the Tayside group, which is taught by his father, Blair Gerrie. Tristan is passionate about encouraging young dancers to be involved, and has been a member of the RSCDS Youth Branch and the TAC Youth committees.
